Where Kids Connect to God and to Each Other  
5th-8th Grade

- **C2 Chow** - 2nd Sunday of each month we will go out as a group to eat and hangout. We will eat lunch/supper either in town or in Tupelo. This may include Event Zona, B Dub, El Toro or somebody's home grilling out. Either way your kids will need to provide money and a mask when we go on these trips. Transportation will be provided.
- **C2 Connect** - 4th Sunday or 4th Wednesday of each month will be used to connect spiritually to God and to each other. The importance of group Bible study and singing is vital to the growth of our kids. These devotionals will be held in your homes, so please let me know if you can host.
- **C2 Others** - This is an Outreach Ministry once a quarter that is meant to help teach our kids the purpose of us being here. To Worship God and to Serve others. To think and put others before ourselves. To Serve!
